

## Landscape Meeting 9-11-06

Chairman: Janine Sisk

Recorder: Daniel Flores

Members present: Janine Sisk, Aysegul Jezewski, Daniel Flores,

Members absent: Dylan Pollock

Janine introduced new landscape member Linda Hadley.

The Daventry Park drainage project to preserve the existing Oregon White Oaks is almost completed.

We discussed subdividing the neighborhood by committee members to do a one month walkthrough for dying or dead trees or bushes that may need to be replaced. Aysegul will provide a color coded map of Orenco Gardens. We will each do a walk through before our October 9th meeting to report any problems with landscaping.

Discussed the problem with invasive Primrose plants in the Rose Garden and the Pavilion. Janine will speak with Dylan on how best to tackle this problem; we will discuss a plan in the October meeting. A plan will have to be presented to the Board for approval to remove the Primrose plants.

Next meeting on October 9, 2006
