

Pet Committee Meeting Minutes

Date: May 23, 2006

Time: 7:30

Attendance: Amy, Aysegul

Sings

Amy got prices for different aluminum signs to be put on new pet stations and entrances to Orenco Gardens. The cost for 3 signs is about \$60. We decided to suggest the board that the signs say:

On pet stations: "KINDLY RESPECT OUR ENVIRONMENT; PLEASE LEASH & CLEAN UP AFTER YOUR PET"

At entrances: "KINDLY RESPECT OUR ENVIRONMENT; PLEASE LEASH & CLEAN UP AFTER YOUR PET AT ORENCO GARDENS"

Aysegul will contact the city about how and where to install the signs for the entrances.

Amy also got prices for putting triangular signs (aluminum) for the pet stations (both new and existing) which says "FOR EMERGENCY USE." The price is about \$30 each.

Pet Ban Survey:

The ban survey will be edited to reflect the Board's decision to require 35% turnout for bringing the ban to another vote. The new draft will be submitted for board approval. Pet committee will recommend that the surveys be mailed to homeowners, as well as distributed door to door. The return address should be NWCM for mail-in votes. In addition to that, a drop box should be placed in front of a trusted board member, possibly the president. Survey should also be available online.

Meeting adjourned at 8:50.
